

ATTENTION!
LICENSED SEWER BUILDERS & CONTRACTORS

Issuance of permits:

In the event that the licensed sewer builder is not present to apply for and purchase the permit, a letter of authorization must be submitted by the representative. The letter must contain the following:

- ✓ Company letterhead
- ✓ Date
- ✓ Authorization, Name of authorized representative
- ✓ Location of work being performed
- ✓ Signature of licensed sewer builder

Payment of permits:

Checks received for the purchase of permits must state licensed builder's company name, address and phone number. Under no circumstances will a check be accepted without proper information being provided.

Schedule of sewer connection permit fees:

The schedule for sewer connections, as authorized by the City of Cleveland Board of Control Resolution 0392-06, is as follows:

• Bulkhead permit	\$ 95.00
• Repair permit	\$ 230.00
• Extend permit	\$ 630.00
• Lay permit	\$ 665.00
• Re-inspection fee	\$ 277.00
• Miscellaneous Sewer Permit	\$ 112.00

Permits/Inspection:

- A permit from the Division of Water Pollution Control must be obtained before an excavation is made.
- All plans and permits required from the Division of Water Pollution Control shall be kept at the site of the work at all times while the work is in progress; this is in accordance with the City of Cleveland codified ordinances, section 541.05 (2F).
No exceptions.
- No sewer permit will be approved and the work accepted without an inspection of the exterior and the interior of the pipe. A sewer connection must be thoroughly inspected by an Inspector from the Division of Water Pollution Control.
- Requests for inspections must be made weekdays before 1:00 P.M. for new and old construction.
